**NUTRITION**

**"Health Concierge" by Proceed.Fit is an all-inclusive corporate wellness solution designed to enhance the health and well-being of your employees. Through our platform, employees gain access to a wide range of healthcare services, including affordable hospitalization, surgeries, consultations, fitness programs, nutrition guidance and more. Our goal is to empower your workforce to take charge of their health, leading to improved productivity, reduced absenteeism and a thriving workplace culture. With Health Concierge, we bring comprehensive health solutions directly to your employees' fingertips.**

## **Why Choose Health Concierge?**

***Tailored Wellness Programs:*** We understand that every workplace is unique. Our experts will design wellness programs that cater to your employees' specific health needs and goals.

***Convenient Access:*** Health Concierge offers employees seamless access to affordable healthcare, fitness classes, virtual challenges, expert nutritionists, health coaches and more, all within a user-friendly digital platform.

***Expert Guidance:*** Our team of experienced health professionals is at your employees' disposal, providing personalized guidance and support on various health aspects.

***Data-Driven Insights:*** Gain valuable insights into your employees' well-being with our advanced analytics. Understand engagement levels, track progress, and make informed decisions to enhance their wellness journey.

***Corporate Culture Enhancement:*** Showcase your commitment to employee wellness. A healthier workforce translates to improved morale, increased productivity, and reduced healthcare costs.

## Health Concierge Offerings:

***Consultations with Health Experts:*** Our platform provides employees with easy access to expert doctors, nutritionists and fitness coaches. Virtual consultations offer personalized guidance, addressing health concerns and promoting overall well-being.

***Affordable Health Solutions:*** Through Health Concierge, employees gain access to a network of hospitals, clinics, and medical services at competitive rates. We understand the importance of quality healthcare that doesn't burden your employees' pockets.

***Group Insurance Plans:*** We offer a comprehensive range of group insurance plans tailored to your organization's needs. Our expert team will arrange the best group insurance plans that provide essential coverage for your employees ensuring their health and financial security.

***Fitness and Nutrition Guidance:*** Health Concierge focuses on holistic wellness. We offer fitness programs, online workout classes, and personalized nutrition plans to help employees stay active and maintain a balanced lifestyle.

***Health Challenges and Programs:*** Engage your employees with interactive health challenges, encouraging them to set and achieve health goals. Our platform fosters a sense of camaraderie and motivation among your workforce.

***Periodic Health Camps:*** Our Periodic Health Camps are designed to empower your workforce by tracking their health metrics regularly. With Proceed.Fit's Periodic Health Camps, we provide personalized consultation guidance and support for your employees to stay on top of their health journey.

**Mission :** To provide high-quality, accessible and affordable healthcare and fitness services to users.

**Vision:** To become a trusted service provider of innovative and comprehensive healthcare solutions, empowering individuals to live their best lives.

**Expert Consultation**

**Second Opinion**

**Multiple Treatment Quotes**

Proceed.Fit is an innovative healthcare platform that redefines how we approach various healthcare needs. It simplifies the healthcare journey by offering a wide range of services all in one place. With our platform, users can easily request different healthcare services according to their needs, from hospitalization and consultations to surgeries and second opinions. What sets us apart is our commitment to transparency - we ensure that users receive multiple treatment quotes and expert opinions from our service providers, eliminating the need to physically visit hospitals or pay consultation fees. Additionally, we offer services related to nutrition, fitness and even provide information about nearby pathology labs and medical shops. Our goal is to make healthcare accessible and user-friendly for everyone.
